The Salta Six Partnership in Mission

Introduction

It is no good just theorizing about world mission, it is good to do it. This month in Poynton we have been doing world mission with six people from Argentina.

1. Did you meet any of the Salta Six? Which one?
Hugo [] Danny [] Flavia []
Gustavo [] Ezekiel [] Marcos []
2. Can you remember their Christian testimony? Did it have similarities to your testimony?
3. How helpful is Christian testimony in world mission?
4. Did you learn about their city? Or their country? Where is Salta in Argentina?
5. What did you learn about their church?
6. What did you learn about their understanding of world mission? What do they do in Salta? Where had they taken mission teams recently?
7. Philippians 1:3-11 shows us Paul thanking the Lord for the churches in Philippi. What is he thankful for?
8. What is partnership in the gospel? Who are your partners in the gospel?

9. Gospel and evangel are the same word, one more Anglo-Saxon, one more Greek. Can you see why gospel people have traditionally been called evangelicals?

10. Gospel people tend to do gospel work. That is evangelism. As they are often used wrongly in the media, are you clear on the right use of the words gospel, evangelical and evangelism?
11. What does Paul pray for the Christians in Philippi?
12. What will you pray for our gospel partners in Salta?
13. How united do you feel with our fellow evangelicals in the Diocese of North Argentina? How has our partnership grown in recent years?
14. Are you aware why there are many Anglicans in the indigenous tribes of the Argentinian Chaco region? Is it inspiring for you to ponder how our Church of England forbears were faithful gospel people in taking the bible's good news to such far-flung corners of the globe?
